#### **Lost:**

On Dec. 23, my son was full of Christmas spirit and wanted to do something special for his friends and his little sister for Christmas. He took almost all of the money he had saved and bought an JWin Jukeman MP3 Player for his sister and two X-Box games (NCAA Basketball 2005 and Dark Alliance 2) for his friends. Then we went to Taco Bell to buy lunch. While there, a thief took the bag containing the gifts. My son did something special for his little sister and friends only to have it thwarted by a thief within our community. His spirit took a big hit as a result. If anyone finds a bag containing the three items, please turn it in to the Power Zone or the MP Station. If you have any information e-mail Bruce Totten at mbtotten@t-online.de.
